

General Notes:

1. All drawings and specifications are to be read in conjunction with each other. Any conflicts found within the complete set of drawings and existing site conditions must be reported to the principal consultant immediately.
2. Refer to planting schedules for details on species, sizes, specification, and maintenance.
3. Refer Tree Method Statement for any work to be carried out within Root Protection Zones. All work within RPA and tree protection measures to comply with BS 5837:2012 'Trees in Relation to Construction'.
4. Refer to Engineer's drawings for layout and details of all drainage and services information; if discrepancy exists between this drawing and the Engineer's drawings then the latter takes precedence.
5. Play equipment shown is indicative.
6. This drawing is to be used for planning only.
