Cundy Street Quarter

31st March 2022 Issue No 04

Dear Neighbours,

We wanted to make you aware of an event happening on the **08th April, Friday** at 10am. The London Fire Brigade will be running essential training in our vacant Lochmore House building for their new and regular recruits. Providing access to an empty unit in a controlled environment allows London's firefighters to train for multi-storey blazes and emergency evacuations to keep our capital safe.

The training and experience they will receive on Friday in a 'true to life' environment is invaluable for the LFB

On Friday 08th April, you may hear fire sirens or see the Brigade entering and leaving the Cundy Street Quarter. You might also see fire hoses being deployed and alarms sounding for short periods of time. Please do not be alarmed, this is the London Fire Brigade in action, training hard to keep up the good service they provide in the capital.

Your feedback on the event would be much appreciated. I might even be there myself.

Kind regards
