

Project Newsletter

Cundy Street Quarter

19th January 2023 Issue No 15

Dear Neighbours,

We would like to take this opportunity and wish everyone a Healthy and Happy New Year!

Since our last Newsletter issue in December and up to date we have undertaken the below works.

1. **Temporary UKPN Substation.** We have completed the brickwork structure and constructed the roof structure, we are installing the new doors and installing the felt to the roof. Depending on weather conditions we are planning to complete all the works and demobilise by 28th of January.

- 2. **Pimlico Rd hoarding green paint.** We applied 2 coats of green painting to Pimlico Rd hoarding

During January we will be undertaking the below works:

- 1. Following approval received from Westminster Thames Water will undertake water disconnection and installation of a new temporary water supply on Cundy Street between 16th and 22nd of Jan
- 2. Complete all outstanding works to UKPN temporary substation and demobilise.

Main Demolition Commencement

In anticipation of our final approvals from WCC we will begin mobilising our team for the demolition works in the coming weeks. This will commence with the erection of scaffolding which will be scheduled to start in late February. Following this we will begin delivering plant and machinery to site as well as setting up our welfare facilities (as indicated below). We will communicate these activities in more detail in our next newsletter as we get closer to the works.

If you have any queries regarding the works currently undertaken or future works please do not hesitate to pop in The Community Hub located on Pimlico Rd No 20, open on Tuesday and Thursday between 9am and 12:00 at noon or contact us on the below contact details

Kindest Regards

Gabriel Stetco
